MAKE MORE MONEY ON ROOFING REPAIRS!

UCS helps roofing companies maximize your clients claim while adding to your bottom line- no upfront costs. Insurance companies try to pay the least amount for repairs, while we work with the homeowners to get the largest payout possible. Turn your project into a full re-roof!

Common problems after hurricane's like Ida:

- **Client doesn't have funds for the job**
UCS can get it covered by insurance if it is a covered loss!
- **Insurance only paid for repair, but it warrants replacement**
UCS can get it covered by insurance!

5 Reasons To Partner With UCS for Insurance Claim Management

- ✓ Avoid being accused of "adjusting" claims
- ✓ We manage claims - you manage repairs
- ✓ We expand coverage - you expand projects
- ✓ We get you paid directly - you stop chasing customers
- ✓ We increase settlements - you increase revenue

EXAMPLE OF WORK AND PAY OUT
